PROFILE

I am Zaryab Gill, a passionate and hardworking Computer Science student from Sheikhupura, Pakistan. I specialize in web development and enjoy creating modern, responsive, and user-friendly websites. With strong skills in HTML, CSS, Tailwind CSS, Java, and Python, I aim to grow as a full-stack developer. I'm self-motivated, quick to learn new technologies, and committed to delivering quality results in every project I take on.

EDUCATION

- Bachelor of Science in Computer Science (BSCS)
- Government College University Faisalabad (GCUF)
-  2023 – 2027 (In Progress)
- Intermediate in Computer Science (ICS)
- Punjab Group of Colleges, Sheikhupura
-  2021 – 2023

PROJECTS

- Personal Portfolio Website – Built using HTML, CSS, and Bootstrap to showcase my work.
- Navbars
- Landing page

INTERESTS

- Web Design, Coding, Gaming, Tech Tutorials, Freelancing
